

## Yankees Dark Horses, Says Stallings

### Considers Caldwell Greatest Pitcher

GEORGE STALLINGS, chief of the Boston Braves, figures that the New York Yankees, under the leadership of Frank Chance, are the real dark horses of the American league. "No one in the American league has any better pitchers than Chance," said Stallings. "Chance is one of the greatest leaders in the game. Caldwell, to my mind, is the greatest pitcher in the game. The fellow has the greatest curve ball I ever saw, and nearly as much speed as Walter Johnson. It has taken a whole lot of nerve and a whole lot of executive ability to do what Chance has done."

While Ritchie, the lightweight champion, is a short-ender in the betting on the fight with Charley White at Milwaukee on Tuesday night, it seems hard to understand that White has been made a 2 to 1 favorite over the champion. Ritchie is the logical favorite, but White is the most dangerous 125-pounder that the champion can meet up with. Tom Thayer, who is handling Ritchie, believes that the champion will be able to slow up White with heavy right hand body punches of the sort that dropped Wolgast in the seventh round at Milwaukee.

Bob McAllister recently attained a 12-round draw with Tommy McCarthy at Butte, Montana, a middleweight who is practically unknown in pugilistic circles. The San Francisco boxer was once touted as a coming champion, has declined rapidly since his defeat by Mike Gibbons on May 11 of this year in New York city. McCarthy finished the contest much stronger than the westerner, and McAllister was

on the verge of a knockout in the last stanza.

Ad Wolgast, ex-lightweight champion, has wired promoter T. J. McCarthy of the Pacific A. C. that if Willie Ritchie defeats Charley White Tuesday night he will get the next match with the champion at Milwaukee on July 1. Several weeks ago Wolgast wired McCarthy that he had a sore arm, and could not fill the proposed date with Joe Rivers at Vernon during the latter part of June. Offers from Freddie Welsh and Joe Rivers for a bout with Rivers were refused by the Milwaukee promoter.

An effort to induce Artie Shafer, one time third sacker of the New York Giants, to return to baseball will be made by the officials of the Los Angeles Coast league club. It is reported on good authority. Thomas Darmody, a prominent stockholder of the Angels, who is a close friend of John J. McGraw, will endeavor to touch the civic pride of Shafer into accepting an infield position on the Los Angeles club, of which city he is a resident. Efforts to obtain an infielder of class thus far have been fruitless.

Tracy Cobb, enclosed in bandages, will be out of the game for at least a week or ten days. The force behind the ball, that was delivered by Foster of the Red Sox, pushed the rib out of place, and caused it to split, making breathing painful and violent exertion almost impossible. The fracture is not serious, according to physicians, and all the star fielder will have to do is to rest.

#### WINDSTORM AND KICK

Baltimore, Md., May 28.—A windstorm caused a suspension of Wednesday's Federal league game with St. Louis while Baltimore was at bat in the sixth inning. After waiting 25 minutes umpire Mannassah called the game with the score 4 to 3 in Baltimore's favor.

St. Louis players protested that it had become light enough to play, and during the argument right fielder Komerski kicked Mannassah in the side. Komerski was ejected out of the grounds by his teammate, Manager Brown, of St. Louis said he would protect the game.

#### TRACK MEN IN ST. LOUIS

St. Louis, Mo., May 28.—Many track men and trainers representing western and southern universities arrived Wednesday to participate in the Missouri valley conference track meet next Saturday.

Forty-one men will start in the 440 yard dash. Among the men entered in the 440 are: Duke, of Drake university, last year's winner; Cline, of Colorado whose record is 45.4; and Campbell, of Stanford.

## THIRTY-TWO RACE AT INDIANAPOLIS

### Selections Are Made at Close of Three Days of Fast Auto Racing.

Indianapolis, Ind., May 28.—After three days of the fastest automobile racing ever seen on the Indianapolis Motor speedway, the 20 drivers who will start in the annual 200 mile race here next Saturday have been selected.

George Boillot, the French driver, who set a new United States record on the two and one-half mile track circling it in 1:30.18 led the list of successful drivers. Boillot drove his car around the course at a rate of a fraction less than 100 miles an hour.

John Gour, teammate of Boillot, was second, having sent his French car around the track in 1:37.77, and Boddy Telford, in an American car, was third.

Ralph De Palma, known as the "hard luck" driver, world champion, was unable to get the required speed out of his machine, qualified on his third and last trial run. He was 25th in the list and required 1:42.12 to go the two and one-half miles.

Boillot is the winner of the three Grand Prix races in France. Gour was the race here last year and this year is favored in the betting as winner of this year's contest. Fifteen of the drivers who have entered are in the race either withdrew or failed in the elimination runs.

Bob Burman qualified with two cars. He is permitted to select another driver for one of the machines.

The successful drivers and the order in which they finished are:

Boillot, 1:30.18; Gour, 1:37.77; Telford, 1:38.49; Thomas, 1:39.29; Darnson, 1:39.29; Carlsen, 1:39.44; Wilson, 1:39.44; Anderson, 1:39.44; Burman, 1:39.44; Dury, 1:40.44; Karsner, 1:40.44; Chassagne, 1:41.11; McIlford, 1:42.09; Rhenbush, 1:42.11; De Palma, 1:42.12; Cooper, 1:42.12; Brown, 1:42.12; Friedrich, 1:42.12; Chandler, 1:42.12; O'Neil, 1:42.12; Klein, 1:42.12; Reena, 1:42.12; Grant, 1:42.12.

## DISTRIBUTION DAY WAS GREAT SUCCESS

Crowds Carried Away the Handy Reference Sets and Some Returned for More.

The events of yesterday demonstrated that the intelligence and ambition of the people of El Paso were correctly gauged in offering them the exceptional book publication of the year. Some who already have shelves filled to overflowing with bulky and more or less obsolete encyclopedias were among the many who made a rush upon the distributing point yesterday. "Just what I wanted," was the common phrase of those who first saw the books. Many came as representatives of their families; others had a set for the son or daughter; some came as the messengers of those employed in places where the need of just such a work of ready reference is recognized; and still others, for fear they could not take two sets out at once, returned for additional sets, some of them saying that they wanted to get several sets to use for various gift occasions. If the rush continues tomorrow it will indicate that the allotment of books for El Paso and vicinity will not last through the 19 days.

The coupon from another page of the issue and get your set immediately at The Herald office.—Advertisement.

IF YOU WANT RESULTS every time and all of the time, advertise in the Handy Reference Directory. Don't forget the phone number—Four-five-three.—Advertisement.

## Cultivate the Habit of Thrift

The American Bankers' Association has inaugurated a campaign for the purpose of encouraging the people to habits of thrift. The banks of every state in the union have been asked to take up the work. It is a regrettable fact that people are saving practically nothing. If every man and woman who has an income will deposit 50 cents a week in the bank, it will impose no hardships; on the contrary, the habit will soon become a pleasure.

There is no one thing which will contribute so much to the character and welfare of a people as habits of thrift. Teach your children, therefore, the value of money, and encourage them to become independent when they are grown. Come to this bank and open an account; we will do everything we can to assist you.
